Updates

Construction: The Davisburg Hall has been transformed with the addition of windows, doors, a covered deck, a ramp, new user friendly ovens and other improvements in the kitchen. These changes make access to the hall easier for individuals with mobility challenges. They have filled the hall with natural light and have increased the space on our main floor.

This construction project could not have been completed without the support of the Province of Alberta and our MLA George Groeneveld, the MD of Foothills, our Div 6 Councillor Larry Spilak and the tenacity, imagination and effort of our Davisburg Board, especially Craig Russell, Paul Kalnassy, and Eric Tudor... BRAVO! This renovation gives the Davisburg community a place to gather for years to come.

Ladies Night Out: The 2009 Davisburg Ladies Night Out was full of pampering, conversation and fun for the ladies of Davisburg. You may have even noticed a few more polished, manicured, detoxed, and rejuvenated ladies in your community after May 9. Thanks go to all of the service providers who made our night such a success. Also, best wishes to the "Boob Troop" breast cancer awareness fundraising team who tended the bar for the evening. Special thanks to the organizing committee of Pat Virostek, Lynore Park, Signe Tudor, Diana Froc, Eva Ingram, & Kandace McArthur for coordinating this popular event. If you are interested in getting involved in organizing this event for next year, please feel free to contact someone on our social committee. We are always looking for new ideas and new energy for our events.

Davisburg Sports:

Soccer & baseball are in full swing at the hall.

The Davisburg 4-6 year old soccer program, coordinated by Krista, is host to 30 young players enjoying the fresh country air and improving their soccer skills every Monday night at Davisburg.

There are 32 Davisburg Sodbuster baseball players aged 8-11 comprising three teams playing out of the Davisburg field this year. The baseball program at Davisburg could not run without the commitment of our baseball coaches which for the 2009 season are Diana Froc, Tina Clifford, Brent Millard, Rob Salt, Dan Glatt, Deanna Thiessen and Shane Ray. The Davisburg teams play in a league with Okotoks, High River, Millarville, Black Diamond, and Nanton. You can find the red jersied Sodbusters playing a home game almost any night of the week.

Drop in to cheer your local team on!

A great thank you to the coaches, co-ordinators and the parents who are involved to make these volunteer activities so much fun for our kids.
